

# IT INFRASTRUCTURE *RAPID ASSESSMENT*<sup>®</sup>

A quick-hit diagnostic of your organization's critical IT infrastructure **platforms**, supporting **talent** and related **security**

## Empowering digital transformation

Organizations are constantly looking for new ways to become more competitive. Regardless of what industry you are in, the pressure from stakeholders to deliver high-quality results has escalated. One solution is better aligning your information technology (IT) strategy with your organization's overall vision.

At RSM, we advise you on your plan, articulating and executing a practical, measurable technology strategy that envisions the future while addressing your process optimization and performance concerns. During the IT infrastructure *Rapid Assessment*<sup>®</sup> process, our technology advisors evaluate the current state of your IT infrastructure, your company's future technology strategy and opportunities for improvement.

## RECOMMENDED FOCUS AREAS

### Platforms and technology

- Microsoft 365 healthcheck
- Network infrastructure and communications
- Server and storage infrastructure
- Public and private cloud services
- Backup and recovery
- Endpoint management
- IT service management
- Collaboration and content

### Operations and talent
